

**CHARLOTTE NC | CHICAGO IL | LOS ANGELES CA**

Sunbelt Turret Steel, part of the Ryerson Family of Companies, is a premier distributor of carbon and alloy Big Bar. We stock Hot Roll SBQ and Forged and Rough turned bars 3" to 32" diameter, with an extensive inventory 20" to 32" F&RT in both carbon and alloy. Our 20+ horizontal band saws allow us to cut to your tolerance and ship as quickly as next day. We serve a variety of industries that include mining, oil & gas, renewable energy, heavy equipment, transportation, material handling, agriculture and automotive.
